8600 TRANSPORTATION

The Board of Education shall transport eligible pupils to and from school and school related activities in accordance with N.J.S.A. 18A:39-1 et seq., N.J.A.C. 6A:27-1 et seq. and Board policy. Transportation shall be provided only to eligible public and nonpublic (and charter, if applicable) school pupils, authorized school staff members, and adults serving as approved chaperones.

The Board will transport disabled pupils in accordance with N.J.S.A. 18A:46-1 et seq. and Policy No. 8670.

The Board will approve all bus routes by June of each school year. Bus routes for all non-remote pupils who must walk to and from school along hazardous routes will be designated. The Board will consider, but shall not be limited to, the criteria outlined in N.J.S.A 18A:39-1.5 in determining “Hazardous Routes.”

The Board will not be responsible for the transportation of nonresident pupils to or from school, except that transportation to and from school will be provided for homeless children for whom the district is determined to be the district of residence and for homeless children enrolled in this district when no district of residence has been determined.

The Board will transport resident children who attend a nonpublic or charter school in the State of New Jersey not more than twenty miles from their residence, but not a lesser distance from their residence than that required for the transportation of pupils enrolled in the schools of this district. Pursuant to N.J.A.C. 6A:27-2.2, pupils living more than twenty miles from their nonpublic school are eligible for transportation services when other pupils living within the district, whose residence is less than twenty miles from school, are transported to the same nonpublic school.

Vehicles used to transport pupils to and from school or school related activities shall meet standards, registration and inspection requirements of the New Jersey Departments of Education and Transportation. The operation and fiscal management of the district’s transportation system shall be conducted in strict accordance with rules of the State Board of Education and the Department of Education Policy and Procedures Manual for Pupil Transportation.
