9160 Public Attendance at School Events

9160 PUBLIC ATTENDANCE AT SCHOOL EVENTS

The Board of Education welcomes the attendance of members of the community at athletic and other public events held by the schools of the district and acknowledges its duty to maintain order and preserve the facilities of the district during the conduct of such events.

The Board may bar the attendance of any person at a school event whose conduct constitutes a disruption. The Board prohibits the possession and consumption of alcoholic beverages at any function sponsored by the district, and, further, prohibits wagering on school premises.
