2110 PHILOSOPHY OF EDUCATION/DISTRICT MISSION STATEMENT

The River Vale School District is dedicated to providing each pupil with a first-class education in a safe, supportive, environment. The Board of Education and staff join with both parents and the community-at-large in a commitment to promoting self-discipline, motivation, and academic excellence in all children. We value our pupils acquisition of knowledge as well as the development of their critical thinking and problem solving skills. Our ultimate goal is to help all children develop into independent, self-sufficient, and productive adults who will succeed and contribute responsibly to the global community.

It is the expectation of this school district that all pupils achieve the New Jersey Core Curriculum Content Standards at all grade levels.
