3322 Staff Member's Use of Personal Cellular Telephones/  
Other Communication Devices

## 3322 STAFF MEMBER'S USE OF PERSONAL CELLULAR TELEPHONES/ OTHER COMMUNICATION DEVICES

The Board of Education recognizes a teaching staff member may need to electronically communicate on a non-school related, personal matter using a personal cellular telephone or other personal communication device during their workday. Electronic communications include, but are not limited to: voice conversations, text-messaging, accessing social networking or other internet sites, or any other type of electronic communication. The Board of Education also recognizes staff may wish to use a cellular telephone to support learning in the classroom.

In the event the teaching staff member needs to electronically communicate on a non-school related, personal matter using a personal cellular telephone or other personal communication device the teaching staff member may do so provided:

1. The non-school communication is made during the teaching staff member's duty free lunch or break periods and is made outside the presence of students.

An electronic communication by a teaching staff member on a non-school related, personal matter using a personal cellular telephone or other personal communication device shall not be made while the teaching staff member is performing assigned school district responsibilities.

In the event the teaching staff member has an emergency requiring immediate attention that requires such a communication while performing assigned school district responsibilities, the teaching staff member shall inform their Principal or immediate supervisor before or immediately after the communication, depending on the nature of the emergency. The Board of Education is not responsible if a teaching staff member's personal cellular telephone or other communication device is lost, stolen, or missing.
